Claudia introduced Laurie Scott the Assistant Chief of Police for Loveland. She is the first Deputy Chief of the police force. She has worked in law enforcement for 32 years. She has a BA degree.

She finds the work rewarding; however, it was not without its challenges. The department had no homicides. Then 31 days after she began her position was the Kaen Gardner case. She is from outside, not “home grown:

She did not feel discriminated against. However, the Department began an initiative of having 30% women on the force by 2030. Most chiefs have 4 year degree. She had training at the FBI program at Quanico.

She noted that in order to get a certification to use a taser, ssh had to be tased.

Karla began the business portion of the meeting.

Election of Officers coming up. Martha said that she called everyone. She suggested being co-officer. That was the new officer could learn. Election is in May.
